Dionysos wishes you

Κ Α Λ Η Ο Ρ Ε Ξ Η

ENJOY YOUR MEAL

Dionysos, son of Zeus,
mostly depicted with ivy tendrils and
vine leaves,

was the symbol of nature,
which is constantly awakening.

According to the legend, he dies,
but is born again when the vegetation
begins again.

The belief in Dionysos and the other gods
of Olympus deeply influenced
the religious and artistic thinking
of the ancient Greek people,
whose inheritance has been handed
down to us today.
